4	PUBLIKACIJE	11

RESEARCH PROFESSIONAL

Univerza v Ljubljani plačuje naročnino za Research Professional, informacijsko platformo, ki se ponaša z največjo bazo odprtih razpisov na svetu. V bazo je vključenih več kot 12.000 financiranj, ki dnevno objavijo več kot 350 razpisov za raziskovanje, razvoj, izobraževanje, raziskovalne infrastrukture, potne stroške, nagrade in druge z raziskovanjem povezane možnosti. Vsi raziskovalci, študentje in ostali zaposleni UL imate brezplačno možnost uporabe platforme, preko katere si lahko nastavite svoje iskalne kriterije (znanstveno področje, tip dotacije, vir financiranja, rok prijave, višina financiranja itd.), ter iskalno nastavitve shranite. Tako lahko shranite neomejeno število iskanj in si nastavite možnost »ALERT«, s katero boste vsak petek prejeli tedensko svež elektronski izbor razpisov, ki ustrezajo vašim vnaprej nastavljenim iskalnim preferencam.

Spletna stran: <https://www.researchprofessional.com/>

Uporabnik se lahko registrira na naročniško verzijo programa samo iz računalnikov, ki so znotraj univerzitetnega omrežja. Preko gumba »REGISTER« (desno zgoraj) si izberete uporabniško ime in geslo. Če želite uporabljati program izven univerzitetnega računalniškega omrežja, morate biti registrirani, saj se vam pojavi samo možnost »SIGN IN«, ne pa »REGISTER«. Če potrebujete dodatne informacije, prosim sporočite na projekt@uni-lj.si.

Omogočen tudi oddaljen dostop do Research Professional

Na platformo se povežete tako, da uporabite [povezavo](#) in nato se prijavite. Če naletite na težave pri dostopu do storitve, se obrnite na [podporo Research Professional](#).

PLATFORMA CROWDHELIX

Platforma CROWDHELIX je namenjena povezovanju akademskih institucij in podjetji pri oblikovanju kompetitivnih konzorcijev za pripravo projektov na razpise programa Obzorje Evropa. Na platformi, ki je razdeljena na različna tematska področja (helixes), lahko objavite svoje interese po sodelovanju ali pa poiščete že obstoječe iniciative oziroma konzorcije, ki iščejo partnerje z določeno ekspertizo. Trenutno je na platformi objavljenih 2503 priložnosti z več kot 14.100 uporabniki iz 740 aktivnih organizacij.

UL plačuje članarino, zato se lahko raziskovalci in raziskovalke UL [registrirajo brezplačno](#).

Kratek pregled platforme in njenih funkcionalnosti:

- Iskanje partnerskih ponudb po tematskih področjih
- Povezovanje akademskih institucij s podjetji
- Iskanje drugih priložnosti za sodelovanje
- Objava in iskanje tematskih dogodkov
- [Izmenjava mnenj in priložnosti](#)

NOVO! Od 10. julija 2025 je za prijavo na platformo Crowdhelix obvezna 2-stopenjska avtentikacija. Več informacij o tem, kako jo nastavite, najdete [tukaj](#).

1 OBJAVLJENI RAZPISI

Ostali razpisi

1.1 InDiCo- Global Second Open Call	
	Spletna stran razpisa
Rok prijave:	31. 8. 2025
Opis:	<p>InDiCo-Global will provide € 1.000.000 of funding to promote European digital/ICT standards in target countries/regions (African Union, China, Eastern Partnership, India, Latin America and Caribbean, Southeast Asia, Western Balkans), building bridges across technical communities. Through three open calls, this funding will enable the specialists to promote the European Standardisation System (ESS) and European standards in partner countries/regions for select ICT/digital technologies, thereby creating opportunities for capacity building as well as strengthening and promoting Europe's position and vision in global standardisation initiatives.</p> <p>Project proposals are requested for the following topic priorities, with a focus on tangible outcomes, in the following sections:</p> <ul style="list-style-type: none">• Training (targeting implementers, administrations, help for use in public procurement) on<ul style="list-style-type: none">○ e-ID/Trust Services,○ IPRs,○ e-Accessibility in, e.g., China, ASEAN, Africa and LAC.○ Train the trainer approach in LAC on market access requirements related to DPP and, e.g., Consumer IoT, eGovernment, eID, Digital Wallet, Data Governance, AI.• Hackathons (oneM2M, MEC, NFV, etc.) and developer events pivoting around the application of European standards• Proof of concepts on the implementation of European standards (proposals to be validated before submission)• Promotion of<ul style="list-style-type: none">○ EN 303 645 (Consumer IoT Security)○ Approaches to Data Protection aligned with GDPR principles○ Open Data principles and practices in LAC, building on European experiences• Workshops on<ul style="list-style-type: none">○ 5G/6G (e.g., at IMC 2026)○ Consumer IoT security

	<ul style="list-style-type: none"> ○ Certification of ICT products ○ Green and inclusive digitalization (i.e., inclusive standards and technical policies for circular ICT products and digital infrastructure & societal aspects) • Standards meetings (proposals to be validated before submission) <ul style="list-style-type: none"> ○ Organization and hosting of European Standardization Events/Meetings ○ Participation of Observers in European Standardization Events/Meetings
Proračun:	--

1.2 DIGITAL-2025-SKILLS-08 — Sectoral digital skills academies

	Spletna stran razpisa
Rok prijave:	2. 10. 2025
Opis:	<p>The actions of this call will contribute to the Competitiveness Compass by improving the conditions for creating the necessary pool of skilled digital experts as well as to the establishment of a Union of Skills, focused on investment, adult and lifelong learning, skill retention and circulation. To contribute to the EU's goals of tackling the existing gap in advanced digital skills and increase the digital talent pool, four new digital skills academies will be established in key digital areas (quantum, GenAI/AI factories, semiconductors and virtual worlds). The call covers the following topics:</p> <ul style="list-style-type: none"> • DIGITAL-2025-SKILLS-08-QUANTUM-ACADEMY-STEP — Sectoral digital skills academies: Quantum Skills Digital Academy; • DIGITAL-2025-SKILLS-08-GENAI-ACADEMY-STEP — Sectoral digital skills academies: Digital Skills Academy in GenAI; • DIGITAL-2025-SKILLS-08-VIRTUAL-WORLDS-ACADEMY-STEP — Sectoral digital skills academies: Virtual Worlds Skills Academy.
Proračun:	MAX: 10.000.000 EUR

1.3 Fight Kids Cancer - Paediatric sarcomas exclusive call

	Spletna stran razpisa
Rok prijave:	17. 10. 2025
Opis:	<p>FIGHT KIDS CANCER is thrilled to announce that its 2025-2026 call will be dedicated to clinical and translational research in paediatric sarcoma.</p> <p>Sarcomas are among the leading causes of cancer-related death in children—typically ranking second or third. Despite this burden, treatments for most sarcomas have seen little to no significant improvement over the past 40 years. To address these urgent unmet needs, the FIGHT KIDS CANCER Programme Committee has dedicated the 2025–2026 call exclusively to paediatric bone or soft tissue sarcomas.</p> <p>Proposals will be considered in the form of Clinical Trials, including the possibility of funding to prepare for a future clinical trial (Clinical Trial Preparation Grant), or Translational Research Projects. Applications are encouraged to address innovative interventions or approaches towards novel treatment (such as innovative therapies including immuno-oncology, platform trials, artificial intelligence, imaging, radiotherapy, surgical approaches). The three types of projects are:</p> <ul style="list-style-type: none">• Clinical Trials to evaluate innovative therapies for children and adolescents with cancer;• Clinical Trial Preparation Grant to enable researchers to undertake essential preparatory work that strengthens the scientific, clinical, or logistical foundation for a future clinical trial(s) in paediatric oncology;• Translational research projects addressing childhood and adolescent cancers.
Proračun:	MAX: 5.000.000 EUR

Tender razpisi

Članice se na razpise “tenders” prijavljajo samostojno, saj se izvajajo po naročilu in so v celoti financirani na podlagi zbiranja ponudb oziroma javnih naročil.

1.4 TENDER - EU future regulatory framework for Higher Airspace Operations (HAO): Study on civil Communications, Navigation and Surveillance (CNS) needs and capabilities in HAO & Study on Meteorology (MET) and space weather services for HAO	
	Spletna stran razpisa
Rok prijave:	3. 9. 2025
Opis:	The tender includes the following two studies: Initial study on civil Communications, Navigation and Surveillance (CNS) needs and capabilities in HAO, incl. spectrum needs: This study shall analyse whether current civil CNS capabilities will still be functioning at higher altitudes (i.e. above controlled airspace) and whether they will be able to provide adequate services that are needed for higher airspace operations (e.g. high speed, long range, autonomy). The results will include the analysis, underline the limits and risks, propose possible alternative options and identify the need for regulatory amendments. Initial study on MET and space weather services for HAO : This study shall analyse the safety risks to HAO emanating from meteorological or space weather phenomena and assess whether the current MET capabilities and services, as well as current space weather services will be able to support HAO. It will propose alternative options or mitigation measures if possible, and identify necessary regulatory amendments.
Proračun:	MAX: 390.000 EUR

1.5 TENDER - In-depth analyses of the European Survey of Enterprises on New and Emerging Risks 2024 (ESENER 2024)	
	Spletna stran razpisa
Rok prijave:	5. 9. 2025

Opis:	The subject of this call for tenders is “In-depth analyses of the European Survey of Enterprises on New and Emerging Risks 2024 (ESENER 2024)”. This call for tenders is divided into lots: Lot 1: Topic studies and sectoral analyses Lot 2: Methodological studies.
Proračun:	MAX: 375.000 EUR

1.6 TENDER - Pilot Project on Mobile Responsive Launch Systems

	Spletna stran razpisa
Rok prijave:	10. 9. 2025
Opis:	This supports the identification of the commercial and institutional needs for responsive launch systems in the EU, including for security and defence purposes. - identification and definition of the suitable and affordable solutions for responsive launch systems in the EU (including ground and launcher systems). - identification of necessary steps toward operational services. We will sign three contracts, each with a maximum value of 650 000 EUR.
Proračun:	MAX: 650.000 EUR

1.7 TENDER - Database on forced labour risks under Regulation (EU) 2024/3015 on prohibiting products made with forced labour on the Union market

	Spletna stran razpisa
Rok prijave:	30. 9. 2025
Opis:	Regulation (EU) 2024/3015 on prohibiting products made with forced labour requires the Commission to establish a publicly-available, indicative and non-exhaustive database of forced labour risks in specific geographic areas and with respect to specific products. The purpose of the database is to support the work of competent authorities in assessing potential violations of the prohibition of

	products made with forced labour and help economic operators identify possible forced labour risks in their supply chains. The database will focus on widespread and severe risks identified on the basis of on reliable and verifiable information from international organisations and other research, academic and institutional organisations.
Proračun:	MAX: 800.000 EUR

2 NOVICE

2.1 Objavljen je razpis za festival novega evropskega bauhausa 2026

Evropska komisija je povabila arhitekta, državljane, podjetja, kulturne akterje, inovatorje in raziskovalce, naj predložijo svoje prispevke za tretjo izdajo festivala novega evropskega bauhausa 2026, ki bo od 9. do 13. junija 2026 v Bruslju. Glavna tema dogodka bo vloga demokratičnega sodelovanja pri oblikovanju prihodnosti. Predloge za festival in sejem je treba oddati do 30. septembra letos, za satelitske dogodke pa do 31. decembra letos. Člani lahko dobijo več informacij na SBRA.

2.2 Evropska komisija je predstavila predlog za večletni finančni okvir 2028-2034

Evropska komisija je danes predstavila predlog za večletni finančni okvir 2028–2034 v višini skoraj 2 bilijona evrov (v povprečju 1,26 odstotka BND EU v zadevnem obdobju). Ker se Evropa sooča s številnimi sistemskimi geopolitičnimi in gospodarskimi izzivi, od varnosti, obrambe in konkurenčnost do migracij, energije in podnebnih sprememb, predlaga preoblikovanje proračuna EU. Evropska komisija prav tako predlaga večjo prožnost proračuna, da se bo lahko Evropa v primeru nepričakovane spremembe okolščin ali potrebe po podpori novim prednostnim nalogam odzvala hitreje.

2.3 Evropska komisija je predstavila predlog za večletni finančni okvir 2028-2034

Evropska komisija je danes predstavila predlog za večletni finančni okvir 2028–2034 v višini skoraj 2 bilijona evrov (v povprečju 1,26 odstotka BND EU v zadevnem obdobju). Ker se Evropa sooča s številnimi sistemskimi geopolitičnimi in gospodarskimi izzivi, od varnosti, obrambe in konkurenčnost do migracij, energije in podnebnih sprememb, predlaga preoblikovanje proračuna EU. Evropska komisija prav tako predlaga večjo prožnost proračuna, da se bo lahko Evropa v primeru nepričakovane spremembe okolščin ali potrebe po podpori novim prednostnim nalogam odzvala hitreje.

2.4 Evropska komisija in Ukrajina sta predstavili pobudo BraveTech EU

Evropska komisija in Ukrajina sta predstavili pobudo BraveTech EU, ki je namenjena spodbujanju inovacij na področju obrambe. Temelji na inovacijah, preizkušeni na bojiščih v Ukrajini. Povezuje tehnološko obrambno platformo BRAVE 1 s programi EU, kot sta Evropski obrambni sklad in obrambnoinovacijska shema EU EUDIS. Njen cilj je spodbuditi inovacije s skupnimi ukrepi, hekatoni, hitrim testiranjem ter sodelovanjem med evropskimi in ukrajinskimi podjetji.

2.5 Center za tehnologije genske in celične terapije (CTGCT) vabi na dogodek CTGCT Days 2025

V Centru za tehnologije genske in celične terapije (CTGCT) v Ljubljani od 15. do 17. septembra organizirajo dogodek CTGCT Days 2025. Udeleženci bodo imeli priložnost za izmenjavo najnovejših znanstvenih spoznanj s področja celičnih in genskih terapij (CGT) ter njihovega prenosa v klinično prakso. Svoje delo bodo predstavili svetovno priznani strokovnjaki s področja CGT. Dogodek bo omogočil tudi mreženje in vzpostavljanje novih sodelovanj med strokovnjaki z območja EU, s posebnim poudarkom na povezovanju z ustanovami iz jugovzhodne Evrope.

2.6 Vabilo na forum inovacij v okviru Evropskega tedna vodika

Partnerstvo Čisti vodik in Evropska komisija vabita na forum inovacij, ki ga 2. in 3. oktobra v Bruslju organizirata v okviru Evropskega tedna vodika. Teme razprav bodo: Spodbujanje konkurenčnosti Evrope z raziskavami in inovacijami na področju čistega vodika; Opolnomočenje zagonskih in scaleup podjetij kot ključnih akterjev pri zelenem prehodu; Zgodbe o uspehu inovativnih malih in srednjih podjetij na področju vodika; Prihodnje potrebe po spretnostih, naložbah in inovacijah ter Sinergije med programi financiranja EU ter nacionalnimi in regionalnimi programi.

2.7 Republika Koreja se pridružuje programu Obzorje Evropa

Republika Koreja je uradno postala prva azijska država, ki se je pridružila programu Obzorje Evropa. Korejski raziskovalci in organizacije lahko zdaj sodelujejo na več področjih programa pod enakimi pogoji kot raziskovalci in organizacije iz držav članic EU.
